**Re: Closure of Academy**

Dear Respected Parents and Guardians

We pray this letter reaches you in the best of Imān and Health.

‘And whoever puts their trust in Allāh, then He [alone] is sufficient for them. Certainly Allāh achieves His Will, Allāh has already set a destiny for everything.’ [Quran 65:3]

‘Everything that happens is the will of Allāh, no virus spreads or affects anyone except by His Will. At the same time Allāh has told us to utilise our means to act responsibly in various situations, for example the Prophet [pbuh] said, “Do not cause harm nor harm yourself” [Hadith].

After monitoring the development across the country and within our local area, consulting various Scholars, Health Professionals and taking on board Official Government advice, Abu Hurairah Academy has decided to **\*\*close the Academy after class on Friday, 20<sup>th</sup> March 2020\*\*** until further notice, as a precautionary and safe measure.

Please keep up to date with our website/twitter for further information on re-opening.

During this extended closure period, we expect all our students to continue revising and maintaining their learning at home for at least an hour a day, under the supervision of parents/guardians.

Parents who have children in Hifz class are strongly advised to listen to the revision of their child daily at home, setting aside at least 3 hours.

Finally in such times please endeavour to perform Salāh persistently, follow the Sunnah, abstain from sins, recite Surah Yasīn every morning, make constant Istighfār, give regular charity, make plenty of dua and follow the guidance of the health professionals and Islamic teachings in these challenging times.

We pray the Almighty Allāh grants everyone protection, comfort and ease. Please remember the Academy in your prayers.

Jazakallāh Khair for your cooperation.
